Any District officer or employee, as well as his/her spouse, who has, will have, or later acquires an interest in any actual or proposed contract, purchase agreement, lease agreement or other agreement, including oral agreements, with the District shall publicly disclose the nature and extent of such interest in writing to his/her immediate supervisor and to the Board of Education as soon as he/she has knowledge of such actual or prospective interest. Such written disclosure shall be made part of and set forth in the Board minutes.

He/she shall not receive, or enter into any agreement, express or implied, for compensation for services to be rendered in relation to any matter before any municipal agency of which he/she is an officer, member or employee or of any municipal agency over which he/she has jurisdiction or to which he/she has the power to appoint any member, officer or employee.

Representation before any agency for a contingent fee

He/she shall not receive, or enter into any agreement, express or implied, for compensation for services to be rendered in relation to any matter before any agency of his/her municipality, whereby his/her compensation is to be dependent or contingent upon any action by such agency with respect to such matter, provided that this paragraph shall not prohibit the fixing at any time of fees based upon the reasonable value of services rendered.

Disclosure of interest in resolution

To the extent that he/she knows thereof, a member of the Board of Education or employee of the General Brown Central School District, whether paid or unpaid, who participates in the discussion or gives official opinion to the Board of Education on any resolution before the Board of Education shall publicly disclose on the official record the nature and extent of any direct or indirect financial or other private interest he/she has in such resolution.

Future employment

He/she shall not, after the termination of service or employment with the School District, appear before any board or agency of the General Brown Central School District in relation to any case, proceeding, or application in which he/she personally participated during the period of his/her service or employment or which was under his/her active consideration.
