Dear General Brown Community,

The recent violent events in Watertown have caused grief and shock in our community and the North Country region. I received information regarding the event from the local news media, and I do not have full details. However, I wanted to assure you that the General Brown Central School District Leadership Team will review information related to the event and our Emergency Plan procedures to ensure that every effort is considered to keep students and employees safe. This event is a stark reminder that we need to continue to be vigilant in keeping ourselves physically and emotionally safe and supported. Counselors and our School Social Worker will be available for any support students and employees may need during these difficult times. Our hearts and thoughts are with the victims' families, as well as our community. Please feel free to reach out with any questions or concerns.

Sincerely,

Barbara J. Case
Superintendent of Schools
