

GENERAL BROWN *Performing Arts* BOOSTER CLUB

GBPABC Meetings—1st Monday of each month at GB High School

Contact us at lionsperformingarts@gmail.com to learn more!

The Performing Arts Booster Club (PABC) was formed in 2012 by a group of parents and teachers who were concerned about keeping music, in any form, in students' lives. Since then, we have been working hard to achieve this goal.

We fundraise about four times per year, and are consistently available to assist GB educators throughout the district. Whether it's marching with our band students in parades, chaperoning trips to competitions, handing out flyers at concerts, making the meal for the Musical dinner, selling tickets at the door, or purchasing needed items, the PABC is there to help!

Here are just some of the ways the PABC has assisted the performing arts program in our district:

- Secured new formal and informal band uniforms
- Brought Martha Gallagher, Harpist, to the district for collaboration concerts
- Purchased carpet for elementary classroom
- Provided sheet music for elementary and high school band
- Purchased Conga drums
- Supplied a Xylophone for the elementary band program
- Assisted Marching band through the purchase of drum carriers and a flag pole with topper
