A high school yearbook is designed to provide a student with memories for a lifetime. The senior section of this publication becomes an important tribute to the members of the Class of 2020.

Since it is a student generated document and deadlines must be strictly adhered to in order to guarantee a top-rated edition and to provide early delivery, it is imperative that certain specifications be followed. As a result, the yearbook staff has set forth the following requirements for senior pictures being published in the senior section of the yearbook.

1. Deadline **for submission** to the yearbook is **Friday, September 13**. (Get them done over the summer if you choose.) **A "senior portrait makeup day" will be held in the fall for students who have not had their portraits done.**
2. Picture must be in **color**. Digital copies accepted – jpeg – 300 dpi preferred.
3. Size - **any** Orientation - **Portrait**
- *4. **Pose - head and mid torso - NO hands. NO ONLY heads. Please note samples above. (More torso is better for cropping.)**
5. Background - **tones** - Blues/grays seem best. Stay away from solids (white/black) and those that absorb hair or skin color.
6. Clothing - **Boys - jacket/shirt/tie or shirt/tie**
Girls - drape
(Check previous yearbooks for effect.)
7. **NO** props. **NO** casual pictures. **NO** company logos.
