Dear General Brown Central School District Community Member:

I am pleased to announce that the General Brown Central School District will be revising its Strategic Plan, a comprehensive focus of initiatives, goals, and planning for the next 5 years. This process will be conducted with the assistance of Castallo & Silky LLC, Education Consultants, and the process will be tailored specifically to the District's mission and core beliefs. We have, initially, identified our Areas of Focus to be:

- **Academic Achievement** (engagement, instructional practices, expectations, equity, curriculum and instruction)
- **School Culture—values, beliefs, perceptions, relationships, attitudes, written and unwritten rules that shape and influence every aspect of how a school district functions, that focuses on a sense of *community*** (engagement, social and emotional well-being and learning, inclusiveness, family engagement, safety, and equity)
- **Intentional Investment in Learning** (growth opportunities, innovation mindset, collaborative mindset, equity, planning for growth and retention of students and staff through hiring, technology, and safety)

We recognize that other topics may emerge as we study these areas, but we are committed to studying these specific Areas of Focus.

As we embark on this important process, we recognize that all stakeholders within the District must be given a voice and opportunity to share their perspectives. In an effort to identify a well-rounded representation of such stakeholders, we are soliciting volunteers that would be willing to serve on this important committee. We are requesting that volunteers commit to attending every meeting. The scheduled dates include:

**10/10** 6:00 – 8:00 pm

**10/24** 6:00 – 8:00 pm
