

General Brown Central School District
Summarized Results
Parent/Guardian Survey for Improved Instruction and Daily Operations
March 2021

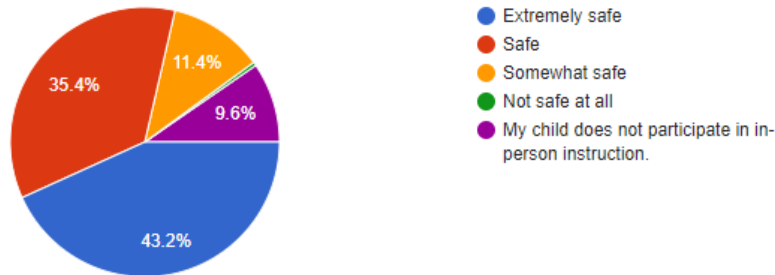

Demographics:

- Parents/guardians with children in every grade level completed the survey.
- 84.8 % had children attending hybrid in-person instruction for 2-3 days per week.
- 15.2 % had children attending virtual, remote-only instruction.

In-Person Instruction:

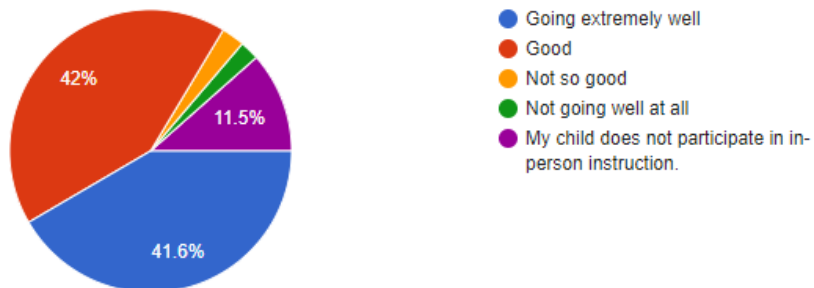

In-Person Instruction: The safety of children and employees continues to be our top priority. How safe do you currently feel sending your child to school given the safety protocols (face masks at most times, physical distancing, cohorts, and emphasis on handwashing and sanitizing) that we have in place?

229 responses

During the two days that they are in school, please rate your child's experience with in-person instruction.

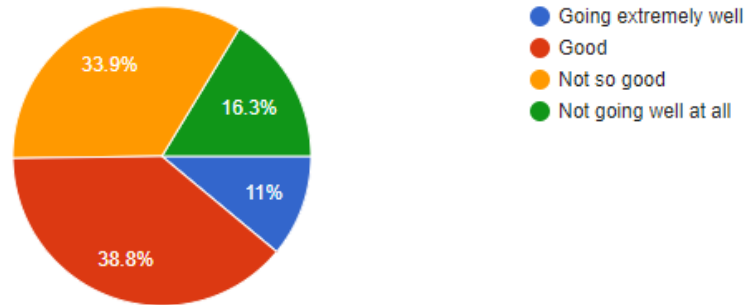

226 responses

Remote and Virtual Learning:

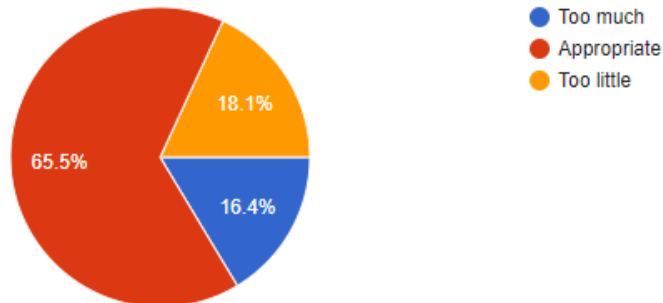

Remote and Virtual Learning: How would you rate your child's learning on the remote days of instruction (Wednesdays, off-cohort days, or long-term remote days)?

227 responses

The amount of school work my child is given on remote learning days is

232 responses

Which of the following instructional experiences has your child participated in this year?

(Top 3)

- Instructional videos (95.7 %)
- Online activities (93.2 %)

(Top 3)

- Providing meaningful and engaging instructions while students are learning remotely (63.8 %)
- Increasing the amount of "face to face" meets for students to engage with teachers and classmates on remote instruction days (56.5 %)
- Providing meaningful and engaging instruction while students are in school (40.1 %)

We received various comments regarding each child's educational experience this school year. We have contacted parents/guardians that requested direct follow-up regarding their child's educational experience at General Brown Central School District.

Thank you for taking the time to provide us with this important information, so that we can continue to make improvements to teaching and learning for all children!
