

School Supplies

I am so excited about the upcoming school year, and am pleased your child will be joining me for fun and learning! Below you will find a supply list which will help your child experience the most in our classroom. If you are able to purchase and donate these items, I would be extremely grateful. All supplies will be shared among students. Supplies can be brought in during Open House or the first few days of school. Thank you so much and I look forward to meeting you and your little one.

***1 pump hand soap** (foaming kind)

***1 pack of 8 large-sized crayons** (Staples)

***baby wipes** (any brand)

***1 pack of regular sized glue sticks** (purple kind)

***1 reusable water bottle**-We will be using this water bottle for snack only, therefore the water bottle does not need to be big. The metal thermos-like water bottles are preferred because they do not leak and are easy to use. Please label it with your child's name.

***a full size Backpack** to fit items such as a pair of sneakers, a regular size folder, and snow pants (in the winter). No mini backpacks or ones with wheels please.

***a folder**-This folder will be used each day for notes and work. You may need more than one for the school year, as wear and tear does occur. Please label one folder with your child's name in the upper right hand corner. If you choose to purchase others, you can keep those at home until needed.

***Change of clothes** in a Ziploc bag with your child's name on it. *Include:* underpants, socks, pants, and a shirt. Accidents do happen and we want to be prepared. Please check sizes periodically. These will be kept in their backpacks.

Other items we use often in our class that are always appreciated but not required are: liquid glue, gallon/quart Ziploc bags, paper towels, disinfecting wipes, masking tape, scotch tape, duct tape.
