

## School Supplies

### Mrs. Zehr's Class

I am so pleased your child will be joining me for fun and learning! Below you will find a supply list which will help your child experience the most in our classroom. If you are able to purchase and donate these items, I would be extremely grateful, but please do not feel obligated. All supplies will be shared among students. Supplies can be brought in during Open House or the first few days of school. Thank you so much and I look forward to meeting you and your little one.

\*1 foaming pump hand soap

\*1 pack of Crayola washable markers

\*1 bottle of liquid white glue

\*1 **reusable water bottle**-The metal Thermos-like water bottles are preferred because they do not leak and are easy to use. Please no bottles with open tops. Label the bottle with your child's name.

\*a full-sized backpack to fit your child's folder comfortably. Many projects will be bigger than the folder and we don't want to have to bend them.

\*a **folder**-This folder will be used each day for notes and work. You may need more than one for the school year, as wear and tear does occur. Please label one folder with your child's name in the upper right hand corner. If you choose to purchase others, you can keep those at home until needed.

\*a **change of clothes** in a Ziploc bag with your child's name on it. *Include:* underpants, socks, pants, and a shirt. Accidents do happen and we want to be prepared. Please check sizes periodically. These will be kept in backpacks.

Other items we use often in our classroom that are always appreciated but not required are disinfecting wipes, gallon/quart Ziploc bags, liquid glue bottles, duct tape, and scented markers.

Thank you!
