At the end of chapter 31, World War II has ended due to Japan surrendering. In our novel, Hillenbrand describes the dropping of the atomic bomb on Hiroshima and later explains that Nagasaki shared the same fate. Do you believe dropping the atomic bomb on Hiroshima and Nagasaki was necessary? Please provide two reasons why you believe it was necessary or not. You may also present both sides to the questions, but in the end, provide your opinion. Please respond in complete sentences. Really think about the question before answering it. What might have happened to Louie and the other POWs if the bombs weren't dropped?
