

Menu Planning Assignment

Gourmet Foods Distance Learning Assignment 3

- Your dear uncle Freddy owns the Breakfast Hut downtown. He is struggling to keep customers and is afraid he will be forced to shut down his restaurant if he doesn't revamp his menu. He's asked his customers what they want and they all agree that Freddy needs to come up with some delicious and nutritious menu options.
- Since you are studying Family and Consumer Sciences, he's asked you to give him some help with planning and producing a new menu to attract more customers.

YOUR TASK- Create a 2 page menu for Uncle Freddy's Breakfast Hut. You can change the type of restaurant from Breakfast diner to anything you choose.

Your menu should include:

- 5 appetizers, 5 main dish items, 5 side dishes, 3 desserts, and a non-alcoholic beverage section.
- Pictures of each menu item with detailed description
- Cost of each item

menus will be used when we return to school for your final restaurant projects.
