

Virtual Job Shadowing

This week we will be job shadowing virtually. Using the [Job Shadow Link](#) you will be choosing a career that interests you. **THINK BACK** to the interest inventories we completed inside of the classroom. What were your results? Choose a career that matches with your results, or one you think you would enjoy. Watch the short video and read the information provided to you below the video, then complete the table below.

Job Shadow Site: <https://www.drkit.org/career-videos/>

All information should be found in the website provided.

What Career Cluster is the job you have chosen a part of? (Note all the jobs are organized by career cluster on the website)	
What job did you decide to shadow?	
What do you need to do in order to become a professional in your chosen career? (Note this is found under the video in the How Do I Become A....?)	
What is the average <u>median</u> salary for this job?	
What courses should you take in High School to help you reach your goal in this profession?	
What is the work environment for this job?	
Name a fun fact about this career that you learned by virtually job shadowing.
