

Vocabulary

Last week I sent home a vocabulary sheet. This is a VERY IMPORTANT paper. Each new Domain (unit of stories) will have its own list. We discuss five (5) new words as we read the stories each day and at the end of the Domain there is a test. Each list sent home has all the words that are tested. Unfortunately there isn't time for us to review these words daily in school, so it is imperative that you study them with your child at home. They need to know that the word has been used correctly in a sentence, not just what it means. On each weekly Weekend News you will find a vocabulary box and the highlighted words are the ones we have discussed as of that date. Hopefully this will help you to help your child study.

Spelling

Next week will be our second spelling list and our test will be on Friday. Each Friday the new words will be on the newsletter for the next week and on Monday a list will come home with your child. We will have activities each day during Center time for your child to practice, but it would still be a huge help for you to practice at home as well. If the day of our test will be changed due to snow days, holidays, etc. I will post the new date on the newsletter.
