Next week's Academics

Reading Unit 3 Week 3:

We will focus on main idea and details as well as comprehension and rereading as independent skills.

Grammar: Past tense verbs

HFW: every, from, into, people, soon, your

Math Chapter 4:

Subtraction Strategies

- ~Make 10 to subtract
- ~Related Facts to + and -
- ~Fact Families
- ~Missing addends

Vocabulary: count back, fact family, missing addend

Practice ideas:

*By having students physically write their spelling words in a sentence or just on penmanship paper it reinforces correct printing and grammar skills.

*Use a deck of cards and have students add the numbers on 2 cards like they are flashcards to practice.

*You could also play rummy instead of the high card winning the correct sum wins.

Science: Winter Animal's needs, adaptations, habitats and life cycles.

Social Studies: Martin Luther King Jr.

MLK study facts: *Martin was a minister who won the Nobel Peace prize. *We celebrate his birthday every January with a holiday because he helped change American laws. *He gave the famous speech "I Have a Dream" and he believed we should all be treated equally and work together.
